Department/Office:	Ministry To Men
List of Current Officers	Richard Williams - West Georgia Region Coordinator Rev Brandon Todd - NCLD Coordinator Sylvester Alexander - SCCD Coordinator
Mission/Purpose	The Department of Ministry to Men is responsible for developing and promoting throughout the church an effective Christian ministry to by men. Bridging the gap
Objectives	Systematic study of the Bible as the inspired Word of God. Effective worship through participation and study. Opportunities of Christian fellowship of men with other men. Service projects within the church and community. Bonding with other men in Jesus Christ. Mutual support groups to meet the varied challenges of life. Developing leadership potential. Facing issues of male health and wholeness. Responsible stewardship, personal finances and use of credit. Community and political involvement and participation. Mentoring & tutoring boys. Transitioning boys to men. Legacy and heritage appreciation. Growth in understanding and appreciation for CME church. Discovering and utilizing spiritual gifts. We need to Bridge the Gap
Accomplishments	The projects that we had set up for this conference year were in the back half of the year. Due to the Pandemic of Covid19 we had to postpone all of the events. The funds that we had raised prior to postponing the events will be used for future events. In May we scheduled virtual services every Monday night hosted by each of the different Regions. This was refereed to as "May Madness". Presiding Elder West delivered the message for the week that West Georgia was in charge. We invited men from all over the connection to be a part of this. This project was lead by Rev Miracle Bass and Dr Leo Pinkett. This has been adopted by other states already.
Challenges	The biggest challenge is getting men from the local churches to participate and support the MTM ministry. I know that several churches are short on membership for men so we have to develop a way to get more men involved in the CME Church.
Recommendations	Continue to promote the MTM Ministry at all levels of the conference. Continue to communicate and drive awareness to the local churches starting with the Pastors.
